a Thanksgiving Prayer from your Tradition.

Please bring a non-perishable food item  
for the HELP Office

The problems we face today,  
violent conflicts, destruction of nature,  
poverty, hunger and so on,  
are human-created problems  
which can be resolved through  
human effort, understanding and  
the development of a sense  
of brotherhood and sisterhood.  
We need to cultivate a universal responsibility  
for one another and the planet we share.
