Dear Religious Educator,

Peace and All Good!

Faith Fest Owensboro 2026 will begin on Friday, 6 November and run through the Interfaith Thanksgiving Service on Sunday, 22 November. This is our sixteenth year and it is an exciting opportunity to get to know about the world's enduring religions right here at home!

Many faith homes are opening their doors to visitors—and they all welcome questions about their Traditions. Some of our participating organizations have been with us from the beginning, so they are especially good at working with guests. Please invite your students and their families to visit as many as possible and ask their questions.

This year we have several new events—and 20 organizations involved. We are especially excited to have three Collaborative Events: 1) A dialog about Silence in Prayer & Worship featuring Dr. Aseedu Kalik of the Islamic Center and Rev. J. Chris Michael of First Christian Church/DOC on Friday, 6 Nov @ 1:30 pm @ the Islamic Center of Owensboro. 2) An interactive event called: Get Healthy Owensboro, offered by all three Seventh-Day Adventist Churches in Owensboro on Saturday and Sunday, 14-15 Nov, check the details. 3) A musical program of Bluegrass Gospel featuring the Lowland Ramblers on Saturday, 7 Nov @ 7 pm @ Central Presbyterian Church. It's inspiring to see communities and leaders working together to help the wider community understand the importance of their faiths! I hope you'll bring your students to see collaboration in action.

We also offering a series of daytime events, 18-20 Nov @ 12 n, for men's and women's lunch bunches or seniors who might not be interested in evening events.

Full details are on the printed brochure and online. An electronic edition of the organizational packet is available to you online, as well. That includes a single-sided edition of the brochure and a grid flier characterizing events as Prayer, Informational, and Fellowship. All of these materials are always available at www.FaithFest.org A rolling calendar of events is also available on www.OwensboroInterfaithCenter.org

Please call me if I can help facilitate your participation in any way,
Claudia
